### **Crafters sought for Eureka sesquicentennial celebration**

EUREKA--Crafters are being sought to participate in the Eureka sesquicentennial celebration Aug. 20-22 at Lake Eureka.

"The sesquicentennial planning committee wants to offer the public many opportunities to have fun and purchase unique items as part of the 150th anniversary of the city of Eureka this summer," said committee chairwoman Laura Siscoe. "We're hoping that many crafters will join us to exhibit and sell their handcrafted wares."
