

Most people have heard that Eureka is having a huge 150th birthday celebration at Lake Eureka Aug. 20-22. But many don't know that their help is needed to make this event a success.

Yes, the sesquicentennial planning committee is seeking individuals and groups to volunteer their time – however much they can give – to make sure that the sesquicentennial celebration goes off without a hitch.

What are volunteers needed for? Well, they can work in the information booth to welcome our guests or sell sesquicentennial-themed merchandise or they can help park cars. And for the really energetic (youth groups, listen up!) there is grounds clean-up to make sure that trash gets emptied and portable potties are stocked.

If you are reading this, please consider helping. If you or any of your family members are part of a civic organization or church group, or if your family wants to take on this project together, please contact me at 467-4090 or 467-2922. Volunteer forms also are available on the sesquicentennial Web site at eurekafestivals.com. I will work with you to schedule a time so that you can say that you were a part of Eureka sesquicentennial history. And you'll get an attractive official sesquicentennial volunteer T-shirt, too.

Thank you for considering helping the community in this way.

Laura Siscoe

Sesquicentennial Planning Committee Chairman
