Work crews begin at 7:00 a.m. and continue until they have made one trip down each street. Employees will not return to pick up items after they have made the initial pass.

During leaf pick up, please rake leaves onto the paved portion of the street near the curb so as not to impede the flow of traffic. Do not put leaves in bags or put brush in with the leaves or they will not be picked up. Main and Center Street residents rake just to the curb, not into street. City crews will remove leaves as time and weather permit.
